OMODOS

NIKOSIA

CHOIROKITIA

LIMASSOL

For this special trip with Squaredancers from America and the Netherlands, we fly again in 2024 to Cyprus, the island of Aphrodite. Archaeological sites, including two with UNESCO World Heritage in the immediate vicinity, fauna, flora, beaches, wines and much more we can get to know there. The hotel Constantinou Bros Athena Beach, right on the beach, we have already visited in 2021. We will find there different pools, indoor pool, a SPA with saunas, fitness room and much more, and of course a large excellent dance room. In terms of catering, everything from breakfast to all-inclusive, even for allergy sufferers, is offered. If you want, you can experience the many facets of Cyprus on excursions or explore them yourself with a rental car.

As callers we will be joined by

### ***Michael Kellogg und Maarten Weijers***

they accompany us from the end of October 2024 until the middle of November 2024. We will dance every day, apart from the excursion days, with both callers A2 and C1 with Michael, using the rotation system.

Prices for flight and transfer with breakfast and dinner in a double room, currently range from € 1.500,00 to € 1.900,00 for 14 days from Germany. On this trip, everyone within the group can determine its own travel duration and the price. Group excursions are, as far as possible, prepared by us and are not included. The additional costs including dance fees are € 200,00 for dancers with level A2 and € 230,00 for dancers with level C1, non-dancers pay € 50,00.

#### **ATTENTION:**

The trip will only take place if at least **60 dancers** have registered by the **end of May 2024**, eligibility is based on the order of online - registrations. Non-dancers, spouses etc. can also participate if the number of dancers is reached.

**All information is also available on our homepage, including a binding online registration form.**
